

2017 WFCA State Tournament Extemporaneous Speaking Procedures

-Questions will be drawn from current events.

1. Each section of competition will have a designated envelope. (For example: Round 1, Section A)
2. Each envelope will contain questions on individual slips of paper.
3. Students will be called up by tournament personnel when the student is scheduled to draw. The student will be given the envelope for their section to draw 5 questions.
4. The student will select the question they will use for that round. The remaining four questions will be returned to the envelope. The envelope is returned to the extemp draw personnel.
5. This procedure is continued through all 5 rounds of competition.

2017 WFCA State Tournament Radio Speaking Procedures

-Radio news stories will be compiled from current news stories and will include International News, National News, Local News, Sports, Weather and a commercial. Packets will include more than enough information to fill a five minute newscast.

1. Students will be called up by tournament personnel when the student is scheduled to draw. The student be given a packet of news.
2. This procedure is continued through all 5 rounds of competition.
